Information Regarding Registration

There will be several "on the course" games that can make a difference in your scores. All on course games can be paid for in advance or at registration. The first of these games will be the "hit out of the pool." This game will be a part of a par 5 in which each paying player will get to tee the ball up in the pool and hit the tee shot. Wherever this shot lands the team will be allowed to tee up and they are hitting their first shot. Also on the course will be "buy a birdie." This will be one of the higher handicapped holes and if purchased, you will make birdie on the hole. There will also be mulligans for sale with a limit of 2 per player. Hole sponsorships are still available. Please complete the registration on the back of this flyer and send in to the ARPTA office and they will make sure that you are entered in the 2005 Defend Physical Therapy Golf Tournament on April 1, 2005.
