

Dear Colleagues,

Now is our chance to significantly enhance our ability to affect the legislative process in Arkansas. By law, our association cannot use APTA/ArPTA dues for direct legislative activities. This is why we are making this special appeal to you for an annual contribution to ArPTA's Political Action Committee. Politics involves lobbying. Lobbying involves money. Make a difference in the legislation that matters most to your profession. Remember, every dollar counts; no contribution is too small!

Bo Renshaw, PT
ArPTA President
